

Classic

Double Hung Replacement Window

The Harvey Classic Vinyl Double Hung replacement window offers homeowners the widest variety of style, performance, color and options available in the marketplace today.

The Classic window is custom made to fit your opening with very little carpentry needed, reducing installation time and mess.

Our sleek fully welded sash and frame design provides a one-piece sloped sill and better performance than ordinary vinyl windows, with an air-tight seal that keeps wind and water where they belong - outside. Consult your professional contractor to discuss which options best match your needs.

Tilt-in top and bottom sash for easy cleaning

Classic features include:

- 7/8" Insulating glass with PPG Intercept® warm edge spacer system provides 10% warmer indoor glass temperature
- ENERGY STAR qualified with optional Low-E/Argon glazing
- Factory calibrated block & tackle sash balances never need adjustment or lubrication
- Interlock at meeting rail and double weather stripping for a triple seal
- Locking half screen with non-glare charcoal aluminum wire
- Ventilation limit latches keep top or bottom sash partially open
- Consider our Classic Acoustical window to further reduce noises (see page 18)
